3 principles...
Keep your eye on
the intuition. Participants more like to
be affected by morality. Strategic reasons
second. 2nd princ. is that morality is

2

- our moral minds evolved to form morals for 6 different principles. (Go to YourMorals.org) There are different "moral tastebuds" Last foundation ~~is~~ Far left is ^{Alarmism} ~~choking~~ / Far Right Nationalist. Meet all the different tastebuds: stewardships, etc. 3rd Princ. Morality binds & blinds. We are tribal creatures, the Amer. culture, make left furious, vice versa. Like pro football. We are in a polarization issue. The Green New Deal is perfectly positioned to ~~frustrate~~ ^{alienate} the Right. If your solution is to change the economy b/c the Earth is warming, if not they don't. IF you understand the 3 principles:

- 1 Intuition & Morality
2. Strategic Reasoning
- 3 Morality binds & blinds

> Question - How do you change ppl's minds: be likeable, friendly, rememb. ppl's names, common identities.

openmindplatform.org
politically
polarized topics,
walks you thru
the psychology.
Takes 2-3 hrs
to go thru the
course / 5 modubs.

Draw a circle that incl. the person. (speak to the elephant.) 2nd. Be sure to agree w/ something they believe in. Deep level of reciprocity. Next, give reasons that are most persuasive to the other side.

3

> Next question: Do you have some examples?
 He does get emails from ppl - w/in families
 the techniques work there
 RighteousMind.com → About the Book →
 Discussions. He's got some studies
 thru 2016.

Climate caucus in the Senate

> Madelyn - CNN devoted 7hrs to a C.C. Town Hall mtg. Her fav. news - ^{Republican} Mike Brown IN, ^{Koons} senate partnered. Hold off on talking to your own senator till we get more details.

> We are seeing our Campus support growing. We have 7 young Repubs getting started organizing youth.

> Destiny - Youth Outreach + Engagement. Franklin - 8th grader in TX. CCL can help us to find out which way to go next. Destiny - the youth offer a fresh voice. Youth @ citizensClimate.org

> Rec'd Actions - US take advtg of climate events this month. Get redy for Lobby Day 11/11 + 12. Soc. Media actions.

> A live poll: "Discussing Global Warming..."
 Talking w/ friends + family. Conversations aren't happ. much 60% Rarely
 Our poll - None 2% A few times over 25%
 Summer 27%, ~~About 1/week 35%~~ A few x wk
 At least 1x/day 11% ~~A few times~~ 35%

How many times a week do you have a climate conversation
